Upcoming Events

International Medical Physics Week (IMPW)

8:00 PM - 9:00 PM

24
APRIL

Role of Medical Physicists in Radiation Protection

Dr. Pradip Deb, Senior Researcher in Medical Radiations, and RSO
RMIT University, Australia.

8:00 PM - 9:00 PM

25
APRIL

Surface Guided Radiotherapy - Overview of Implementation and Experience

Abdul Sattar Khalid, Medical Physicist,
National Center for Cancer Care and Research (NCCR), Qatar.

8:00 PM - 9:00 PM

26
APRIL

Plan Evaluation for High Precision Radiotherapy Treatment

K. M. Masud Rana, Sr. Medical Physicist
Life Gaborone Private Hospital, Botswana.

8:00 PM - 9:00 PM

27
APRIL

Establishing an Image-Guided SRS and SBRT program and its practice

Dr. Sakil Zuberi, Sr. Clinical Scientist,
The Royal Marsden NHS Foundation Trust, United Kingdom

8:00 PM - 9:00 PM

28
APRIL

Recording and Reporting EBRT Treatment Plans in the Context of ICRU Guidelines

Dr. Mohammad Mahfujur Rahman, Medical Physics Coordinator
Labaid Cancer Hospital and Super Specialty Centre, Bangladesh
